

CITATIONAIR™ JET CARD PEAK DAYS

CitationAir's reinvented Jet Card gives you the benefit of significantly reduced hourly rates when traveling on our 355 non-Peak days. If you choose to fly on one of our 10 Peak Days, flight hours will be billed at Peak Day rates. Trips must be scheduled, changed, or cancelled with a minimum of twenty four (24) hours prior to the start of the Peak Day.

The day before and after a Peak Day is known as a Flex Day. Due to the high volume of travel on Flex and Peak Days, your departure time may be accelerated or delayed by up to three (3) hours. If we need to do so, we will advise you a minimum of twelve (12) hours in advance of your departure time.
