

# CITATIONAIR™ JET CARD PEAK DAYS

CitationAir's reinvented Jet Card gives you the benefit of significantly reduced hourly rates when travelling on our 355 non-Peak days. If you choose to fly on one of our 10 Peak days, you will be subject to Peak day pricing. The day before and after a Peak day is known as a Flex day. Due to the high volume of travel on Flex and Peak days, your departure time may be accelerated or delayed by up to three hours.
