## CARBON OFFSET PROGRAM ENROLLMENT FORM

in partnership with TerraPass

By signing and submitting this form, you are requesting to be enrolled in CitationAir's carbon offset program, which is administered by TerraPass, Inc.

TerraPass will forward your welcome packet and invoice once your form is submitted. The invoice will be generated by an estimate of hours and aircraft type for your flights with CitationAir over the next twelve month period. If a specific aircraft is not identified on your contract, the XLS will be used to estimate your hours. Eleven months into the program, TerraPass will send you a Renewal Packet. If you are interested in renewing your participation in the TerraPass carbon offset program for your CitationAir flights for another year, simply fill out and return the form. If you are not interested in renewing your membership, please disregard the renewal letter and no further action is needed.

Please contact CitationAir Customer Service at any time with questions at 800.687.2187.
